SILBERLINE®
The Global Supplier of Effect Pigments™

MARKET	AUTOMOTIVE					GRAPHIC ARTS & PRINTING INKS						PLASTICS			INDUSTRIAL COATINGS				
MARKET CATEGORY	Effect Pigments for Automotive Coatings	Effect Pigments for Aqueous Coatings	Effect Pigments for Automotive Parts & Accessories	Vacuum Metallized Effect Pigments	Degradation Resistent Effect Pigments	Effects for Solvent Based Liquid Inks	Effects for Water Based Liquid Inks	Effects for UV Inks	Effects for Screen Inks	Effects for Paste Inks	Vacuum Metallized Pigment	Aluminum Pigments for Metallic Effect and Colors	Special Metallic Effects	Metallic Pigments for Functional Effects	Industrial Coatings - Leafing	Industrial Coatings - Non-Leafing	Industrial Coatings - Waterborne	Industrial Coatings - Vacuum Metalized Flake	Powder Coatings
A Series															Standard Leafing	Standard Non-Leafing			
AQUA PASTE®		●															●		
AQUASIL® BP																	●		
AQUAVEX®							●	●	●										
Dedusted Flake, LED																			●
ETERNABRITE®			●			●	●			●					●				
ETERNABRITE Premier															●				
Extra Fine Series															Standard Leafing	Standard Non-Leafing			
Extra SPARKLE SILVET®													Pinpoint Sparkle						
Extra SPARKLE SILVEX®													Pinpoint Sparkle						
L Series																Standard Non-Leafing			
Lansford Series																Standard Non-Leafing			
PLATINUM SILVER®	●																		
SILBERCOTE® AQ		●															●		
SILBERCOTE AQ Star		●																	
SILBERCOTE PC X			●					●											●
SILBERCOTE UV								●											
SILBERCOTE Y			●													●			
SILBERCOTE Z			●													●			
SILCROMA®													Natural Stone	Magnetic Detection					
SIL-O-WET®							●												
Silvar Series															Standard Leafing				
SILVER STAR®	●																		
SILVET®						●						Regular, Reflective, High Sparkle / Glitter							●
SILVET® LR														Laser					
SILVEX®												Regular, Reflective							
SPARKLE SILVER®	●								●			●				●			
SPARKLE SILVER Premier	●											●							
SPARKLE SILVER ULTRA®	●											●							
SPARKLE SILVER ULTRA Liquid Metal	●																		
SPARKLE SILVER X-treme	●																		
SPARKLE SILVET®												High Sparkle / Glitter							
SPARKLE SILVEX®									●			High Sparkle / Glitter							
SPARKLEBRITE™						●	●
